

*A conversation on responsible design with
Professor Peter Dean*

HOW DOES OUR WORK AS DESIGNERS IMPACT THE WORLD?

HOW CAN WE RESPONSIBLY AND EFFECTIVELY ENGAGE WITH
EXISTING CULTURAL, ECONOMIC, AND POLITICAL SYSTEMS?

WHAT IS OUR ROLE IN CHANGING OR PRESERVING A STATUS QUO?

*Join RISD/Brown Design for America for
an open dialogue with Peter Dean of RISD
Furniture and Allison Chen (ID'16) to discuss
these and other crucial questions on design, and
learn more about opportunities to get involved
with DFA social impact projects this Spring*
